Notes:

- A three-way tie for first – I can't remember when that last happened...
- Lots of PBs, on a none-too-easy day – congratulations all round!
- Corey, not having a handicap (for Flatbow indoors, for Winter League purposes), get an adjusted score of 1440 for this round.

Please note: Winter League (WL) handicaps for Round 2 onwards are based on your best WL round, so may be different to those shown on the 'Indoor Classification Record' listing which are calculated to Archery GB rules.
