Notes:

- Congratulations to Stan on his club record, and to Alan, John and Corey on their PBs.
- An asterisk indicates that errors were found with the score on checking.

Important notes regarding scoring:

- Please write the scores **legibly**, always in descending order for each end (eg 10,9,7).
- Check your scores before signing – all scores are independently checked afterwards and if found to be higher than the score you signed for...you still get the (lower) score that you signed for. If it's less than the score you signed for you get the correct (lower) score. Harsh but true!

Please note: Winter League (WL) handicaps for Round 2 onwards are based on your best WL round, so may be different to those shown on the 'Indoor Classification Record' listing which are calculated to GNAS rules.
