Some archers were keen enough to shoot double (and treble!) Worcester rounds (though only the first round counts towards the Winter League):

**Double:** Gary Cooper (496), Kevin Holmes (489), Chris Newton (539), Joanne Proctor (566), Corey Turner (453).

**Treble:** Gary Cooper (749), Joanne Proctor (856), Corey Turner (663).

Notes:

- The rounds shot on the Sunday of the competition were on a single face, in variance with Archery GB Rules of Shooting, Rule 408 e). As a result these are not, technically, 'recognised rounds', but they will nevertheless be used for Winter League, handicap and classification calculations, and for personal bests. No club records were broken.
- "That's all folks" for this year's Winter League Competition. Overall results will be announced at the prize-giving that follows the AGM.

*Please note: Winter League (WL) handicaps for Round 2 onwards are based on your best WL round, so may be different to those shown on the 'Indoor Classification Record' listing which are calculated to Archery GB rules.*
